To the Parents/Guardians of _____:

The No Child Left Behind (NCLB) federal law requires teachers teaching core academic classes to meet a specific federal definition of “Highly Qualified”. Pegasus works very hard to ensure that teachers in our core classes meet this definition.

Ms. Cynthia Suggs, special education resource teacher for math at the Upper School, has a Bachelor’s degree in Aviation Management and a Master’s Degree in Teaching. Ms. Suggs has several years of professional experience that informs her teaching practice.

Ms. Suggs anticipates meeting all of the requirements to become a highly qualified teacher prior to the end of the 2015-2016 school year.

If you have any questions or concerns, please contact me at 214-749-5677.

Sincerely,
Kristen Clements
Academic Director
