

## FULL EDUCATIONAL OPPORTUNITY GOAL

It is the policy of the Pegasus School of Liberal Arts and Sciences (“Pegasus”) to provide full educational opportunities for all children with disabilities.

It is the policy of Pegasus not to deny admission to a child with a disability solely because of that child’s need for special education or related aids and services, regardless of cost.

In an effort to ensure educational opportunities for all children including those with disabilities, it is the policy of Pegasus to comply with applicable state laws relating to admissions, compulsory attendance and delivery of services.
